Guided Tour: Benefits

*The teacher. The classroom. The library.
And just a mouse-click away*

HP LaserJet 3100/3150 Service and Support—Documentation and Training provides an innovative combination of personalized training, product simulators, and product documentation—and includes support and technical sales information for the HP LaserJet 3150 and HP LaserJet 3100 product

In the past, you sat through a training course, spent hours familiarizing yourself with the hardware and software, and then filled your bookshelves with volumes of product documentation for later reference.

Now, by using Web-based technology, the documentation and training bring all of this information together in one place: your computer. You can quickly find and use all information currently available for the HP LaserJet 3150 and LaserJet 3100 products whenever you want to.

Easier and faster information access

The HP LaserJet 3100/3150 Service and Support—Documentation and Training brings you almost everything you need to begin servicing and supporting product. This suite of product information, completely integrated for fast access, includes:

- Personalized training
- Product simulators
- Product documentation
- Service, support, and technical sales information
